PR Docket No. 92-235

Dear Mr. Quello:

Ritron, Inc., an Indiana Company has asked me to write to express my view regarding changes required by the captioned case which would be more fair if they were phased in over a period of time which would allow manufacturers an opportunity to make adjustments in an orderly manner.

That point of view seems reasonable to me and I hope it seems reasonable to the Commission as well.

Sincerely,

ANDY JACOBS, JR.
